Exploring Linkages between Climate Change, International Investment and the Legally Binding Instrument on Business and Human Rights

27 Sept 2022, 15:30-17:00 CEST

Facilitated by the South Centre, this webinar is an opportunity for participants representing developing country governments, civil society and academia to exchange views and discuss the linkages between Climate Change, International Investment reforms and the Legally Binding Instrument, and how to harness their common elements to recover better, build resilience against future crises and achieve the UN 2030 Agenda & the SDGs.
