

Strengthening Antimicrobial Stewardship: Policy Insights from COVID-19 and Future Pandemic Preparedness - A South Centre Webinar

**Dr. Rasha
Abdelsalam**

AMR Consultant, South
Centre | Director,
Antimicrobial Stewardship
School (FADIC), UK

Dr. Nusrat Shafiq

Professor, PGIMER |
Principal Investigator, India
Hub, Consortium for
Antimicrobial Optimization

Dr. Kamini Walia

Senior Scientist, Indian
Council of Medical
Research (ICMR), India

Overview

- This one-hour webinar will explore how the COVID-19 pandemic impacted antimicrobial stewardship (AMS), drawing actionable policy insights to strengthen AMS programmes and pandemic preparedness, especially in low- and middle-income countries (LMICs)
- The event features a 30-minute presentation of the South Centre's latest policy brief followed by a panel discussion with global AMS leaders.

Discussion Topics

- How COVID-19 disrupted AMS programmes
- What lessons were learned for future health emergencies
- Strategies to embed AMS in national pandemic preparedness plans
- Sustaining AMS in LMICs: diagnostics, surveillance, and equity

Why Attend?

- Learn practical AMS policies from COVID-19
- Explore sustainable approaches for AMR management
- Connect with experts shaping the global AMS agenda

Date: 14 April 2025

Time: 12:00 PM – 1:00 PM CEST | 6:00 AM – 7:00 AM EDT | 3:30 PM – 4:30 PM IST
